

## Technical Specifications

### Model

M&R DFT 24" P/NP

### Print Heads

Epson I3200 A1 - I3200 UV

### Printing Speed 24" M&R DFT Printer

24" 320/2400 4pass  
100sq Feet Per Hour

24" 720/1800 6 Pass  
85sq Feet Per Hour

24" 720/2400 8 Pass  
60sq Feet Per Hour

### Color Mode

M&R DFT CMYK & White & Adhesive

### Ink System

White Ink Auto Circulation Supply System

### Ink Type

Eco-Friendly Water Based Ink & Powder (OEKO-TEX Certified)

### Printing Media

M&R DFT 24" PET Transfer Film

### Media Transmission

Automatic Film Take Up With Alignment

### Interface

Computer & Software Included (Flexi)

## Physical Descriptions

### Footprint

Printer 24" L x 63" W x 52"H – Dryer 33" L x 61" W x 44.5" H  
Minimum Space Required: 8' x 8' Recommended Space: 10' x 10'

### Working Environment

70° to 80° F Machine Equipped With Electronic Sensors

### Humidity

40% to 60% Machine Equipped With Electronic Sensors

### Printer Power

1-Phase 110v 20 AMPS

### Dryer Power

1-Phase 220v 30 AMPS

### Printer/Dryer Shipping Weight

Printer 745 Lbs. Dryer 410 Lbs.
